

STORAGE CONTAINERS

EURO CONTAINERS

A Euro container is a versatile plastic box, stacking container, for storage and product movement from Goods In, through manufacturing, storage and right through to despatch at the far end.

- Uniform in dimensions
- Available in a variety of sizes
- Lids means they can be secured and covered making them easy to stack

FROM ONLY
£7.40

SOLID EURO CONTAINERS WITHOUT LIDS

Modular inter-stacking containers with vertical sides for maximum internal volume.

- Designed specifically for stacking, popular distribution choice due to their tough construction
- Built in labelling areas
- Smooth, sealed surfaces and straight sides (to maximise capacity and aid stacking)
