PREMIER WORKSHOP

An innovative and flexible system which creates unique workspace solutions using bespoke combinations of standard cabinets and accessories.

All prices include full standard delivery costs to mainland UK (excluding Scottish Highlands, Islands and overseas).

For express delivery quotes please contact the sales team.

All standard products can be ordered in any colour configuration from our RAL chart on page 71. There is no extra charge for these standard colours. Where colour matching is required please call for details and costs.

Flexible, Bespoke And Affordable Workshop Solutions

A versatile modular system that can be supplied as single items or as a full system. All cabinets have reinforced doors and adjustable shelves (capacity 75kg per shelf unit UDL). Floor standing drawer units are central locking, fitted with anti-tilt mechanism and have a depth of 90mm. Drawers are mounted on full extension precision ball bearing slides with a capacity of 40kg (UDL).

Ever found yourself trying to squeeze a standard range of kit into your workshop space and wishing you could have an extra set of drawers or a couple of additional shelves? How frustrating that you can only seem to order very specific units which don't really work for the job you have in mind.

James Bedford's unique Premier Workshop modular system allows you to choose from a range of standard units built into the format you need them with the flexibility to add in accessories to your distinct specifications.

Each unit in the innovative Premier Workshop system is welded from 0.9mm steel with reinforced doors and full extension 40kg capacity precision ball bearing drawer slides.

In addition we have introduced anti-tilt technology to the floor standing drawer units and rear supporting posts in place of wall mounting making this kit the most versatile and flexible system on the market. Premier Workshop comes in JB Signature Blue JB0001 as standard with a range of other colours available on request.

So what's the real benefit to you from Premier Workshop?

- Flexibility for you to build your workshop space exactly how you want it
- Affordable solutions tailored to your needs
- High quality and reliable kit
- From a name you can trust!

How does it work

1. Select the base cupboard units you require.
2. Add in the drawer units you need.
3. Choose the accessories to complete your specific workspace.

For example a 4m run (below), the following units were used to create an effective solution for a garage workshop which needed drawers for tools, cupboards for overalls and a worksurface:

Premier Workshop Modular Cabinets & Drawers

Heavy Duty Pin Locks

Metric Storage Lockers

These coloured lockers are manufactured to the highest specification. Lockers are welded and riveted in construction. Semi concealed hinges are welded to the door and riveted to the frame, allowing easy replacement of doors. Doors positioned within a rebated frame to enhance compartment security. The carcass incorporates nesting holes on all sides and a return flange at the base for extra strength and to reduce floor damage. Lockers are manufactured using cold rolled steel. Material thickness specification 0.9mm doors and frame, 0.7mm carcass and shelves. Components are polyester powder coated prior to assembly to ensure all surfaces are protected. Lockers non returnable unless deemed faulty or damaged.

COLOUR RANGE STANDARD

Below is our Standard range of RAL colours.

* Textured finish available but not with Premier Shield

COLOUR RANGE CUSTOM

Other colours are available upon request.

PREMIER SHIELD

Key Features:

In addition to our standard powder coating we have developed an anti-bacterial coating with active silver ions that penetrate bacterial cell walls and prevent growth. PremierShield is available in a range of colours and is effective against both gram negative and gram positive bacteria. It is recommended as an aid to hygiene best practice in laboratories, schools, public buildings and hospitals.

RESULTS OF INDEPENDENT TESTS

Bacteria Tested	% CFU reduction
Staphylococcus Aureus (MRSA)	.99.99
Escherichia (e-coli)	.99.99
Pseudomonas Aeruginosa	.99.99
Bactillus Subtilis	.99.98
Salmonella Enteritidis	.99.98
Listeria MonocytogeneS	.99.98

TERMS & CONDITIONS

Prices quoted are exclusive of VAT. Please note our normal delivery service is applied to this priced product guide and does not include a day or time specific option. A special delivery service can be arranged to include this option for an additional charge. Normal deliveries will take place between 8:00am and 5:00pm Monday to Friday. A special delivery service can be arranged for an additional charge.

Unless where otherwise stated prices include delivery to mainland UK. Prices for delivery to Scottish Highlands, Islands and overseas can be provided on request.

Other than collection, goods will be delivered to the nearest point of entry, off-loading being the responsibility of the customer, e.g. a ground floor reception/goods inward area - not positioning on site.

All goods must be checked for damages and/or shortages before signing the delivery note(s).

Please contact us for authorisation in the unlikely event of returning goods. There is a handling charge of 15% of the invoice value plus delivery charges will apply.

Bespoke items cannot be returned unless deemed defective/faulty.

Lockers are non returnable unless deemed faulty or damaged.

Minimum order value on lockers £150.00 net or carriage is applicable.

We can accept orders on a call off basis if the delivery dates are agreed and quoted on the purchase order. Call off dates may not be changed without prior agreement.

First orders are on a pro-forma basis. Subsequent orders are payable on nett monthly account subject to status.

Retention of Title - Goods remain the property of the manufacturer until paid for in full.

Copies of our full Terms & Conditions Of Sale are available on request. (Company Brochure issue 11 01-01-16).

Please note: Prices are correct at time of publication (January 2016) however due to fluctuations in raw material cost, prices are for reference only. To confirm the current prices please contact the Sales Team.
