**PROTECTING THE TOOLS  
OF YOUR LIVELIHOOD**

## The UK's No.1 vehicle and on-site security box solutions

A quarter of a million vehicle thefts in England and Wales were reported over 2013/2014\*

If you suffered a break-in and your valuable equipment and tools were taken, could you continue your job without them?

Van Vault prides itself in developing the most comprehensive choice of durable and innovative security solutions to deter the most intelligent thieves from stealing your equipment.

Launched in 1998, Van Vault has grown in the UK to become recognised as the leading mobile security container brand. From a Van Vault for fixed installation into a small van or tipper truck, to on-site security solutions, the ever-expanding range accommodates solutions for every professional tradesman's needs.

To find your nearest stockist, visit [www.vanvault.co.uk/dealerlocator](http://www.vanvault.co.uk/dealerlocator)

## A break-in takes as little as 10 seconds\*\* Can you afford to lose your tools?
